APPLICATION FOR CHANGE OF SECTION

Respected Sir,

With due respect, It is stated that I am Amir Hashmi and my registration number is 2023CS-11. I got admission in CS in A1 category and section-A is assigned to me. But I want to go to section-B. It is because my college mates are studying in that section. I also discussed it with my teachers as well as seniors. They recommended me to write application to you in this respect.

Sir, actually there are a lot of reasons behind my application. First of all my college mates are studying in that section. Secondly I go to home with my friend who study in that section. Due to the the change of time of lectures between him and me we are facing difficulty. He cannot change his section because he is CR. So I have to change the section. Ge Kindly change my section from A to B.

I shall be very grateful to you.

Yours obediently,

(AMIR HASHMI)

2023CS-11
